

GETTING STARTED WITH REALM CONNECT @ FPCA

When you receive your emailed invitation to connect, click on the link. This screen will appear with your email address already filled in. Create whatever password you want to use (make sure to record it somewhere!), click the non-robot declaration, and hit the Register button.

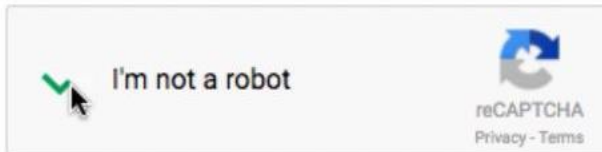

Register

Sign-up is easy, and it's free! Get started by completing the fields below.

Email Address

Create Password (8 character min)

Confirm Password

By clicking the register button below, you agree to the [Software Services Agreement](#) and you are 13 years of age or older.

Please check your email.

We are sending you instructions to activate your account.

You will get a message like this, saying to check your email so you can validate your account.

Go to your email.

When you open the email from "Realm Connect Training," you will find a link to click on. This takes you to their site to prove you are a member at FPCA. So, click on the link.

Sign In

[Forgot your password?](#)

Now you will sign into your Realm connect account for the first time, using the password you just created (and put in a safe place!).

After you put in your password, hit the sign in button

Sign In

Please Verify Your Phone Number

For your protection, we ask users to validate their phone number against our records. Once we have verified you, we will send you a confirmation email. Please do not include your phone extension if you have one.

Phone Number *

8435558311

Verify

You will be asked to either verify your phone number, as we see in this picture, or possibly your birthday. Your answer will be compared to the information in the Directory to be ensure everyone's protection.

Put your information in, and then click the Verify Me button

Verify

Now you will see the screen that will occur each time you sign in. To check your contact info or put a new picture in your profile, or to look up another member's contact info, click on the left side of the screen, on "Directory" Put in a first, last, or full name and you should be able to find your own profile or a friend's.
